

February 7, 2020

Dear Parents, Teacher, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Report cards, Dean List and Honor Roll Certificates were distributed this week. Congratulations to our tremendous scholars who earned straight A's and or all A's and B's. Please check Portal to track your student's progress and reach out to our School Counselors for assistance in supporting your child's success
- Much improved in the front car circle. I realize asking for 10 minutes was a bit much – set the alarm back five minutes and arrive before 7 am and your student will be on time. Remember the 5<sup>th</sup> tardy in the morning will result in an hour detention
- Our monthly SAC meeting will be Tuesday February 9<sup>th</sup> and include a presentation and mid-year report about our school. The meeting will be virtual through Zoom. The link will be posted for all on our school's website
- We are currently completing course requests this week for rising juniors. Please review our Curriculum Guide on our school's website and have conversations with your student about taking an Honors, AP or AICE course. Students with a 2.5 GPA or higher should sign up for AVID to support their pursuit of a higher academic course. Students should see Ms. Sinphay for any information or questions
- Cap and Gown orders are due by Wednesday February 10<sup>th</sup>. Please go to [BalfourFL.com](http://BalfourFL.com) and enter our school name to place your order
- Drivers Education registration for this summer will be held from February 22 through February 28. Drivers Ed will be held at 9 sites and Hollins High will not be one of them. Click the Drivers Ed link on our county's website for more information
- Boys District Basketball playoffs start this Tuesday February 9 at 7 pm as the Royals tip off in a first-round match up versus Palmetto. Purchase your tickets at [gofan.com](http://gofan.com)

Enjoy the rest of your evening surrounded by good friends and family and good health and spirits! Go Bucs!

See you at the top!
