Important information regarding the FSA and EOCs

Each student's subject area teacher should be communicating with their students the days the student is testing and the location. The lengths of the FSA and EOC tests are listed below. MyPCS students may leave directly after testing. The tests must be taken on campus. MyPCS Students who do not have transportation to leave immediately after testing will be able to stay in the media center for the remainder of the school testing day. Students and families who need additional information may reach out to Ms. Killingsworth, killingsworthje@pcsb.org to obtain testing information.

For information regarding AICE testing, please reach out to Ms. Citek – [citekm@pcsb.org](mailto:citek@pcsb.org)

For information regarding AP testing, please reach out to Mr. White – [whitest@pcsb.org](mailto:white@pcsb.org)

Assessment	Sessions (Days)	Minutes
Reading (grades 9 and 10)	2	90 (each session)
US History	1	160
Biology	1	160
Algebra 1	2	90 (each session)
Geometry	2	90 (each session)
