Dear Parents, Teachers, Staff and Community Members of Hollins High School, this is Principal Robert Florio with your weekly update:

- Parents and guardians this quarter is two weeks old and moving fast. Please check your students' progress and remind them this quarter grade and exams will make up two thirds of their grade. There is plenty of time to raise or drop grades.
 - ELP – after school Monday through Thursday from 2 to 3 pm in our Media Center and through teams offers tutoring, homework assistance and test preparation – please have your student take advantage of the help and resources we have to support their success
 - A reminder to our My PCS students and families – they are responsible for following our bell schedule and attending classes for the duration unless otherwise instructed – you got to be in it to win it!
- Congratulations to our Hollins Varsity Football team for advancing to the state sectional semi-finals – they will take on the Largo Packers this Friday 11/13 home at 7 pm. Mr. Zebley will provide link when available for you to be able to purchase tickets and come out and support our team to victory

 - A-G – 9:00 to 10:45 am
 - H-N – 10:45am to 12:30 pm
 - Lunch break 12:30 pm – 1:00 pm

- Our Academies will be hosting a virtual Discovery Night on Monday 11/9 from 6:00 pm to 7:30 pm – logon information and flyer is available on our website. Please share with friends and family
- Please update your contact information in FOCUS if you have moved or changed phone numbers. And please have your student bring back a completed clinic card to our Administration office
- We continue to monitor Tropical Storm/Disturbance Eta – if there should be any disruption to our school schedule – you will be notified directly by our district communication team and information will be on our district's website
