BOYS: Wear a white tank top (or white tshirt). If you are an on-campus student, you must be in dress code during the school day, so wear the tank under your regular shirt.

Due to covid and the inability to share clothing, the tuxedo will be photoshopped on you. Don't worry! They do this for the military every year and it looks amazing. You would never know!

GIRLS: Wear a tank or top that you can drop off your shoulders. If you are an on-campus student, you must be in dress code during the school day, so wear the tank under your regular shirt.

Also, think about the neckline. Do you want to wear a necklace? Earrings? The drape will be provided. It will be single-use or cleaned before usage.

Transgender / Nonbinary: You may select whichever option you prefer. Just follow the guidelines above for your preference.

Please be assured that Leonards is following heightened cleaning and disinfecting protocols.
