

High School WINTER Challenge 2020

OPEN NOW through Jan. 10, 2021

Log into CLEVER, CLICK ON

**High School
Enrichment
Activities**

Great opportunity for your student in English 1 or 2, Reading Classes, Algebra, Geometry, Biology and US History to engage in activities to practice and review important course standards, prepare for semester exams, and repair failing grades in core classes!

CHECK with your teacher and school about prizes available for top participants!
