

November 6, 2022

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Do not forget to fall back an hour this weekend as we head into our 4th week of the second quarter.
- I want to thank all our parents, guardians, and community members who served in our country's armed services and recognize their contributions and service this Veterans Day this Friday 11/11. Thank you
- We are asking our students to ensure they do everything possible to be on track before Thanksgiving Break with all assignments, tests and projects. This includes getting involved in content area Fall Challenges that will start at the end of the week and go through the break. Students can work on content that they will be assessed on in the Spring EOCs.
- Students should take advantage of our Extended Learning Program Monday through Thursdays from 2 to 3 pm in the Media Center. We have core area content teachers ready, willing, and able to assist with tutoring, homework assistance and test preparation
- Our fall newsletter is available online with important messages, dates and content features on our student and school
- Thursday November 10 is our Discovery Night where we invite families from across our district to visit our school and formidable academies to demonstrate what we offer students at Hollins High School. The event is from 6 to 7:30 pm, please share this date with friends and neighbors as your endorsement and support is the best advertisement for our school
- As our fall sports have ended, we kick off our winter sports of soccer, basketball, and wrestling. Please check out our calendar of sporting events on our website and come out and support Royals Athletics. All tickets are available and sold through gofan.co
- Our monthly SAC meeting will be held Tuesday November 8th at 2 pm in the Principal's Conference Room

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the Top!
