

December 11, 2022

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- ***We need your help. It is that time of year for our Annual Stakeholder Survey for parents and guardians. If you are struggling to come up with a last-minute gift idea for me this year???? – don't worry about it – you completing this survey would be the best gift I could ask for – Thank you in advance. The survey can be found on our district webpage at www.pcsb.org/survey***
- All 9th and 10th grade students took the FAST PM 2 Test this past week. We tested over 90% of our students. We will be holding makeup testing starting Monday December 12. Please make sure your student comes to school ready, willing, and able to take the FAST PM 2 test. We appreciate your support in this important matter
- Students should bring their school issued laptop fully charged with power chord for this and all school tests
- This week will be our last academic week of the first semester before exams that start on Monday December 19. Quarter 2 and exams will make up nearly two thirds of your student's grade. Encourage them to have a mindset of achievement and have them work hard to the finish strong. Plenty of time to raise grades and finish the semester with success
- Exam schedule and exam exemption requirement information can be found on our school's website
- ELP – our extended learning after school program for tutoring, test preparation and homework assistance will be open through Thursday from 2 to 3 pm for students to get the help necessary to finish the semester strong
- Thank you for your support of our great school, students and staff

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the Top!
