

January 22, 2023

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Congratulations to our boys' soccer team for completing their regular season with over 10 wins and securing their first winning season in over 8 years! Congratulations to Coach Griffin and the gang as they prepare for the District Playoffs next week. Check our school's website for times and location of games
- Our JROTC under the direction of Command Sergeant Major Rivera Rivera and Major Fawthrop finished in third place out of 18 teams in this weekend's drill meet. Dennis Lee led the Unarmed Platoon and Jazmin Taylor led the Exhibition Squad
- We will kick-off the 2023-2024 course request season with an Elective Fair on Tuesday, January 31st (white day). The students will already have their course request sheets, so they will be able to choose your class ON THE SPOT!!
 - The HHS Elective Fair will take place first thing in the morning for 35 minutes with an adjusted bell schedule.
- We will be giving the full PERT test for students interested in taking Dual Enrollment classes next year. The test dates will be February 1st and 2nd in the back media center starting at 7:30. Students will need to bring their laptops with them and should be prepared to stay most of the day to do their best
 - There will be a signup sheet in Guidance, and teachers may submit student names to via email
- Report cards were finalized and posted on Thursday of this week. You can view your students' grades on their Portal. If you any problems or need assistance with seeing your students report card – please call our office for help and Parent Portal information
- Attendance is vital and integral to your student's success. You got to be in it to win it. Please have your student to school on time ready to do their best. 7:10 is early in August as it is in January as it is in May.
- Remember we are a closed campus – no student is allowed to leave once they are on campus without consent of parent or guardian. Students should bring their charged school issued laptop every day. Students will need their laptop for all end of year state tests.
- If you have not already – please check out our school wide student body spirit video project. Link and video are located on our school's webpage

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the Top!
