  - This quarter we will test for the FSA/EOC examinations that help determine the level courses your students will be in as well as our school grade
  - We also test AP and AICE courses that can determine and award college credit for our students
  - It is important that we keep our focus and remain diligent as we look to complete this school year in a successful fashion
- Extended Learning will continue every Monday through Thursday in our Media Center from 2 to 3 pm. Teachers from all core area academics are available to assist your student with homework, test preparation and tutoring
- We are encouraging all 9<sup>th</sup> and 10<sup>th</sup> grade students to bring their issued lap top computer to class every day. Students in 9<sup>th</sup> and 10<sup>th</sup> grade will need and use their laptop to take spring EOC and FSA examinations. Any student in 9<sup>th</sup> or 10<sup>th</sup> grade that have not been issued a laptop should see their administrator for distribution. Personally laptops/computers cannot be used on any school, county, or state assessment
