Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Last week of the third quarter – now is the time to make sure students complete any missing assignments, tests, quizzes, or projects to avoid zeroes and do everything they can to maximize their grade and success for the spring semester
 - ELP is the place to be for any student in need of test preparation, homework assistance, or tutoring. Core area content teachers ready, willing, and able to assist your student
- The safety and security of our campus continues to be a paramount focus. Please be reminded we are a closed campus. Students are not able to leave for any reason once on campus without prior parental/guardian approval. No deliveries are accepted of food, flowers, or gifts for any occasions
 - Finally, the last week of the quarter and the last day is as important as any day in the quarter – we need your help in keeping students in class through the end of the week. Friday before spring break is a full day – all students should attend and those that do should stay through the end of the day
- 65 Seniors still need to order a cap and gown. No payment is due when you order. QR code for ordering is available on the senior page on our school's website.
- Every graduating senior who is planning to attend college or career school should complete the FAFSA – this application entitles the completer to federal grant money as well as state aid and need based aid by the specific college. Please utilize this link: www.pcsb.org/fafsa with help and guidance in completing the application
- Congratulations to our AEA Filming students for having their film “Sanatorium” selected into the Sarasota Film Festival And for two films “Loop” and “Don’t Sleep” selected to the Gasparilla International Film Festival
