

April 17, 2022

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- With your help and partnership, we tested over 95% of our 9th and 10th grade student in FSA Writes. That is the threshold needed to qualify for a school grade. Thank you for your help and assistance. Together we can and will accomplish all our goals
- Attendance is integral to your student's success. The classes of Ms. Carol and Ms. Randolph won our first and second period March Madness Attendance competition which earned them a catered breakfast from Chick-fil-a and IHOP!
- We will again be testing our Biology and US History EOCs on Saturday morning. US History will be on Saturday 5/7 and Biology on Saturday 5/14. WE will have a catered breakfast at 8:30 with a review before this important test.
- Congratulations to are award winning Academy of Entertainment Arts for their showing at the Fina Arts and Media Awards at St Petersburg College
 - Our students took first place in Animation Digital Illustration, Graphic Design, Printmaking and Film. The Best Overall Winner went to our very own Mia Spataro – first time a high school student won the best overall in a competition with college students
 - Other winners were Ronnie Kube, Madeline Johnston and Isabella Calderon
- On Wednesday April 20 we will be celebrating the success of 61 students who managed straight A's, perfect attendance and no referrals for the third quarter with a special movie day and all the ice cream and popcorn they can eat. These students hit the trifecta of greatness and we appreciate their sustained excellence
- Our Spring Musical Beauty and the Beast opens this week on Thursday April 21 through Saturday April 23. Current rises at 7 pm. Tickets are \$10 for adults and \$5 dollars for children under 12 available on Gofan.co
- Extended Learning will continue every Monday through Thursday in our Media Center from 2 to 3 pm. Teachers from all core area academics are available to assist your student with homework, test preparation and tutoring
- Seniors who need a Math Concordant score to graduate should attend our PERT Prep sessions every Wednesday followed by the PERT Test
- Seniors in need of a Reading Concordant score will take the non-college-reportable SAT on Wednesday April 26
- Students in 9th and 10th grade will need and utilize their school issued laptop for all EOC/FSA examinations. Make sure your student brings theirs to school. Any student in 9th and 10th grade without a school issued laptop should see their administrator

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the top!
