Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Thank you to all the students, teachers' staff, parents and guardians for making Saturday Biology EOC a great success – we had over 255 students show up to take their Biology EOC. Thank you for making that happen and supporting this important initiative
- We have tested FSA Reading and Algebra, US History and Biology EOC and we will start Geometry EOC this week. Make ups are ongoing. We need your assistance and cooperation in getting your student to school on time, rested and ready to do their best. We have worked too hard and have come too far to stop now and not see this through. We can and will accomplish all our goals together! Thank you
  - 9<sup>th</sup> and 10<sup>th</sup> graders are utilizing their school issued laptops for all FSA/EOC tests. Please have your student bring their laptops to school fully charged and with their chargers for testing
