

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- Thank you to all teachers, staff, parents, and guardians who helped the Class of 22 make it to and through graduation. It takes a concerted and collaborative 13-year effort with everyone playing a role. Thank you for all you do and have done for our students! Congratulations and best of luck class of 22 – We are so proud of you!
- This is our final week of school with a lot at stake for our students
 - Final Exams start on Monday schedule is posted on our website and attached to this communication
 - Thursday May 26 will be the last day of school for students. It will be an abbreviated day – students will get out at 11:55 am. Schedule is printed on the Exam schedule
 - Please limit Permit to Leaves or PTLs before during exam week. Have students bring leave early permission notes before school and turn in to AP office. We will not interrupt classrooms during scheduled exam time. Your cooperation is appreciated
- We are still having our students take FSA/EOC makeup tests in Reading, Writing, Geometry and Algebra. All 9th and 10th grade students must take the Reading and Writing FSA and students enrolled in Geometry and Algebra courses must take that EOC. Please have your student check in with their administrator so we can get them into the proper test lab
 - We need to test 95% of our students to qualify for a school grade. We are at 90% and need your assistance to reach our goal. Thank you
- Our extended Learning Program – or ELP is closed for the year. Thank you to all our teachers and students who participated in this program throughout the year
- Congratulations to our Varsity Boys Baseball team for a great year – the PCAC and District Champs lost in the regional finals last week ending their season. They won 21 games this year setting a school record!
- All textbooks should be turned in this week in the Media Center

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the top!
