

September 4, 2022

Dear Parents, Teachers, Staff and Community members of Hollins High School this is Principal Robert Florio with your weekly update:

- Great job to everyone – all teachers, students, parents, and staff – I’m giving everyone Monday September 5 off for their efforts! Seriously thank you for a great start to our school year and I wish you and your family a great healthy and happy Labor Day this Monday – we will be back at it on Tuesday September 6 at 7:10 am – it will be an odd day – periods 1,3, 5, and 7
- Thank you to all the parents who came out to our Open House last week. It was great to meet and see so many parents – there was a lot of great energy, smiles and constructive collaborative conversation. We have big goals for our students – and working together we can help them achieve those goals!
- FAST or Florida Assessment of Student Thinking testing has starting for ELA students in 9th and 10th grade. This Progress Monitoring test number 1 is a new baseline assessment test and will not count toward graduation requirements
- Laptop distribution to all 9th grade and 12th grade students has been completed. If your student in those grades has not received a laptop, they should visit Ms. Frazier in the Media Center to receive their computer
- We are fast approaching the halfway mark of the first quarter. Please be progress monitoring checking your student’s attendance and grades
 - Any student in need of additional support can access our Extended learning Program after school in our Media Center from 2 to 3 pm Monday through Thursday – all core area content teachers available to assist with tutoring, homework assistance and test preparation
- Come support our Royal Fall Sports Teams – Cross country, Bowling, Football, Swimming and Volleyball. Schedules can be viewed on our school’s website and tickets to all events are available through Gofan.co. Cross country and bowling are free events

Enjoy the rest of your evening surrounded by good friends and family in good health and high spirits!

See you at the top!
