Course registration for the 2024-25 school year is fast approaching! Next Tuesday, January 30th, we will have a modified bell schedule to lengthen 4th period. During that time, all students will view a video highlighting the vast course options offered in each of our different academies and departments throughout the school, along with how to complete the course registration form. Students will then have an opportunity to speak with teachers and students to learn more about anything they're interested in during lunch. We'll then send the video, course request sheet, and curriculum guide to families so you can review that information and watch the video Tuesday night.

This will be followed with a current family Curriculum Fair at ELHS on Wednesday, January 31st, from 5:30pm – 7:00pm. Stop by to speak with teacher and student representatives from our different departments and academies, speak with some of our club sponsors and coaches, and sit in on one of our quick presentations on the course registration process and graduation requirement reminders.

Also, tomorrow evening, Wednesday, January 24th, the chorus department will their annual Pop Concert. This concert will be the final benefit concert for the NYC trip. The concert will begin at 7pm in the ELHS auditorium. Stop by for some great music and support the program!

Have a great rest of your week Eagles!

Shawn Anderson, Asst. Principal
