Happy Weekend!

I wanted to send a HUGE **thank you** to everyone who completed the survey. Thanks to you we reached our goal. Thank you so much!!!

Soon your student will receive a course selection sheet for next year's classes. They will be meeting with their school counselor in their language arts classes to review the selections. Please talk to your student about their options and encourage them to speak with their current teacher for their input.

Please remember, your student is only permitted to ride the school bus to which they are assigned. Students may not ride a friend's bus to their friend's home or to an after-school appointment, etc.

Thanks to all our new volunteers. We still have room for more helpers at our school, especially at the front reception desk. Please contact Teresa Peterson at 727-942-5419 if you are interested. It is wonderful to see our families involved and helping on our campus! Volunteers, please do not forget to log your hours!
Thank you and have a great weekend!

Thank you and have a pleasant evening,
Carmela Haley, Principal
East Lake High School
