**01/08/2021**

Dear Eagle Families,

**Congratulations to all of our students and staff for obtaining the highest graduation rate for 2019-2020 in the district at 99.82% rounding up to 100%!**

**Once again, East Lake High School had the highest graduation rate in the district! This is the this year in a row we can brag we had a 100% graduation rate!**

**Go Eagles!!! Also – congrats to all of our students for winning the vocabulary.com holiday challenge! Great job!**

I also wanted to send along some information regarding a “scam” which has affected our community as well as many other areas. Teenagers are contacted by an outside scammer in their online group chats, and are invited to meet privately in a separate chat or meeting room. They then become involved in a “romance scam” and extorted for money. This is apparently becoming a very large scam and we are just now seeing it here. If you hear any of our students talking about being contacted or involved in this scam, please let our School Resource Deputy (SRD) know immediately!

### **Parents of Juniors**

There will be a free SAT given at East Lake for all face-to-face and MyPCS juniors on March 3. Juniors are automatically signed up for the test, and the test will be administered under College Board test conditions with their COVID protocols in place. If you do not want your student to come into the school to take the test for free during a school day, your student can sign up to pay and take the test on a weekend in March, May, or June by visiting [www.sat.org](http://www.sat.org) . Please contact our SAT Coordinator Leah Liguori if you have questions or concerns regarding the SAT School Day at [liguoril@pcsb.org](mailto:liguoril@pcsb.org).

[An informational flyer is available here](#)

The SAT is a college entrance exam that colleges and universities use in their admissions process, so it is important that your student start preparing for the test now. In the attachment, you will find information for free SAT prep opportunities through Khan Academy.

Thank you and have a good evening

*Carmela Haley, Principal*

East Lake High School
