10/1/2021

Good Evening Eagle Families,

Happy October 1st. Can you believe we are entering the last week of the first quarter? As I walk around the classes, I see teachers teaching and students learning! Students are working hard in their classes and we are making gains in learning!! It is great to see students engaged and collaborating in academic conversations.

As you review your students' grades in their FOCUS accounts, please remember we have tutoring available for just about all the subjects. Please have your student reach out to their teacher or school counselor for assistance in scheduling tutoring.

Next week starting Tuesday, we are holding our in school ACT test for 11th and 12th graders who have not yet reached their graduation requirements in math and reading. The ACT is non-college reportable but a passing grade counts for their graduation requirement. Students have been working very hard preparing for this test and they are ready! If your student needs to take this test they are already signed up! Please make sure they rest up and are ready to go next week!

Parent of 9th and 10th graders – Pinellas County Schools is holding a Pathway to Graduation Power Hour.
