**10/12/2020**

Good Afternoon,

I wanted to send a clarifying email regarding PSAT test dates and times for our MyPCS online students.

Previously, all 9<sup>th</sup> and 10<sup>th</sup> graders were automatically signed up for the test. All face to face 9<sup>th</sup> and 10<sup>th</sup> graders are automatically signed up, however, **online 9<sup>th</sup> and 10<sup>th</sup> graders would need to register for this year's test.** I apologize for the confusion.

Please remember, this is not a mandatory test.

If you have registered and already have received an email confirmation on your Pinellas county student account, you are already scheduled.

If you have not been contacted and have not received an email confirmation for the 14<sup>th</sup> or the 17<sup>th</sup> testing dates, there is still the opportunity for your student to take the PSAT on a later date. Please email [delkk@pcsb.org](mailto:delkk@pcsb.org) for your test date.

Here is information on self-screening:

If you are exhibiting symptoms/conditions below, you should not enter a district building:

You experienced any of these symptoms, not associated with previously diagnosed or new/worsening conditions, in the past 72 hours:

- Fever greater than 100.4/chills
- Cough/short of breath
- New loss of taste or smell
- Nausea/vomiting/diarrhea
- Experienced multiple symptoms

**OR**

In the last 14 days, have you:

- been in close contact with anyone who has been diagnosed with COVID-19;
- been placed on quarantine for possible contact with COVID-19;
- have travelled to a location where it is recommended that you self-quarantine as noted by the [state of Florida](#); or

- have a COVID-19 test pending at the recommendation of a health care provider or due to symptoms consistent with COVID-19

Thank you and have a great afternoon,

*Carmela Haley, Principal*
