**Directions to East Lake High School**

Good Evening Eagle Families,

Can you believe it is already the middle of the second grading period? Progress reports are being prepared and are being sent home by teachers either electronically or through your student. Remember, you can view your student's academic progress on your focus account at any time.

As we quickly approach Thanksgiving break, I wanted to send everyone the information on the Thanksgiving challenge. Help keep the learning growing over break! Have your students log into Clever at <http://clever.com/in/pcs> with their student username and password. There they will find educational activities to keep students engaged over the break.

Also, it is time for our annual survey. The purpose of this survey is to find out your opinions about our school. Read each statement and choose the response that most closely matches your opinion. Please answer each item honestly. Your responses will be completely confidential. The survey closes December 19<sup>th</sup>.

Thank you in advance for taking the time to complete this valuable survey.

Parents and families, you may already be aware of the increased presence of vaping in schools, including East Lake High School. We would like to partner with our families and community to educate students of the effects of vaping. In the upcoming weeks, we will be scheduling informational meetings for the community, families and students on the various effects of vaping including; health, legal, and school consequences. Please stay tuned for more information on upcoming events.

Thank you and have a wonderful evening,  
Carmela Haley, Principal  
East Lake High School
