[Directions to East Lake High School](#)

11/8/2021

Good Evening Eagle Families,

It is that time of year! As we approach the holidays, we are always looking for ways to keep our students engaged and connected to their schoolwork. The High School Fall Challenge has begun! Biology, Social Studies, Algebra and Geometry begins today and Reading begins on the 20th. Students can access the challenge through their Clever accounts. Remember, this is a challenge, meaning it is a competition between all high schools in the district, so... GO EAGLES!!! An informational flyer for this can be accessed at <https://tinyurl.com/jtnw6xdt>

Also, here is information for our sophomores interested in PATH: An informational flyer for this may be accessed at <https://tinyurl.com/s8ujwa8b>

Teachers are sending home progress reports to the families of students who are being unsuccessful (D or F). Please reach out to your students' teacher for tutoring opportunities. Remember, you can monitor your students' progress at any time from your Focus account. If you need help with your Focus account, please call the school and we can assist.

Thank you and have a great evening,

Carmela Haley, Principal

East Lake High School
