**Dear Eagle Families,  
Happy Holidays!**

**I trust this email finds you excited and ready for the holiday break. During our holiday break, please remember to keep your student academically engaged by signing into their CLEVER account using their R2.D2 and participating in the math challenge competition!**

Today is the last day to order your yearbooks at the discounted price. Starting tomorrow, (12/22) there will be a price increase. Please go to [www.yearbookordercenter.com](http://www.yearbookordercenter.com) today to get the discount. If you have questions, please contact our yearbook adviser, Mrs. Wall, at [walln@pcsb.org](mailto:walln@pcsb.org).

Students return to school on January 8<sup>th</sup>. We will begin the morning with students going to their homerooms to pick up their 2<sup>nd</sup> semester schedules and then continuing on to their first period classes. Homeroom lists may be found posted around the campus and there will be many adults in the halls to assist students.

I am proud to announce East Lake High School has achieved a graduation rate of 99.62% for the year 2017-2018. This is not only the highest in East Lake's history, but it is the highest rate any high school in Pinellas County Public High Schools has ever attained. This is an amazing feat!

Lastly, I wanted to provide another quick email on Janeva. The family is reporting continued progress, she is speaking to the doctors and sitting in a reclining chair. Doctors are amazed at the progress she is making. Thank you again to everyone for all of the cards, gifts and well wishes.

Thank you again and please enjoy the holidays with family and friends.  
Carmela Haley, Principal  
East Lake High School
