Thanks to all of our students who had their pictures taken this week. Retakes are on January 20th. Our online students may come anytime between 2:15 and 3:15. Pictures will be taken in the gym. Students will receive their proofs in approximately three weeks. You will also receive a specific code to access your photos online where you may place an order.

Parking

The parking lot closest to the school is a reserved parking lot. Please remind your students not to park in the reserved parking lot if they have not purchased a reserved spot.

To park in the parking lot you must first purchase a parking permit. You may purchase online here: <https://tinyurl.com/ELHSParking>

You will receive your hangtag during school hours once you have made your purchase. If you are a virtual student and wish to purchase you may pick up your hangtag any time following two business days after purchase

I am excited to announce that our Senior Parking reserved spots have now been opened up to anyone who wishes to purchase a reserved spot. You can purchase by visiting <https://tinyurl.com/ELHSParking>.

All students who would like to purchase a reserved space must also purchase a school hang tag first. Details may be found here <https://elhssenior.weebly.com/>

Please remember, the number on your hangtag is not the number of the reserved spot in the parking lot. The spots in the reserved lot are numbered and not the number you have on your hangtag. If you have a hangtag and have not purchased a reserved spot, please park in the north parking lot without numbered spaces.
