Good Afternoon Eagle Families!

This is Dan Schmittiel, Principal at East Lake High School, with some important reminders for this upcoming week. First off, a quick reminder that tomorrow, Monday, February 20, 2023, is a teacher in-service day. Because of this, students have tomorrow off and will return to normal operations on Tuesday, February 21, 2023.

Junior Update (in-school SAT)

Attention parents with juniors: your student will be taking the in-school SAT on Wednesday, March 1, 2023. This is a free test for all juniors, and it can be used for college admissions as well as to meet graduation requirements. Stay tuned for more information on required test items and room assignments, as they will be coming out soon! Please email Mrs. Liguori at liguoril@pcsb.org if you have any questions or concerns.

Junior and Senior Testing Graduation Requirements (ACT prep opportunity)

Attention families of juniors and seniors that are working toward meeting their testing requirements, either the FSA ELA and/or Algebra 1 EOC, for graduation: we will have a variety of required concordant score testing opportunities for your student in the next month, including FSA ELA retakes, Algebra 1 EOC retakes, the in-school SAT, along with the in-school ACT NCR (non-college reporting).

Students have been working through a variety of test prep resources on campus, but there are some great opportunities available for ACT prep on Saturday, March 4th, 2023, from 9am to noon at both Countryside High School and Gibbs High School. Attached you'll find a flier for each of these opportunities where your student can sign up using the QR code. They will focus on test strategies in preparation of the upcoming ACT, and we highly recommend your student take advantage of this opportunity if they are still in need of their concordant score for graduation.

Senior Update (walking fees)

Attention senior families: as we prepare for our Graduation ceremony on May 16, 2023, at 5:30pm at Tropicana Field, students are now able to pay their graduation fees of \$40. This covers the cost of the graduation ceremony including but not limited to the venue, decorations, security, and everything else that goes into making graduation special for our Class of 2023 and their families & friends. The link to pay grad fees was sent to you via email and is here below

Electronic Devices

A reminder about the use of electronic devices: students are not permitted to use devices to take photos or record audio/video of other students or staff without the consent of that person. The use of phones and other devices are also not permitted in bathrooms and locker rooms.

No Student Food Orders

As we move into semester 2, this is a quick reminder that food orders from any food delivery service/restaurant is not allowed. Students are expected to either take advantage of school lunch or bring their own each day. Please make sure to continue to remind your student(s) of this expectation.

Dress Code Reminders

The Pinellas County School Board has adopted a dress code for students in all district schools that all schools are making a concerted effort to adhere to. Here is a direct link to the dress code page from the student code of conduct for reference. <https://tinyurl.com/2022-2023PCSB DressCode>. Families may be contacted to provide a change of clothes if your student does not have something else with them which meets the Student Code of Conduct guidelines.

If you have any questions at all, please don't hesitate to reach out to your Assistant Principal or Counselor. Have an amazing rest of your weekend, stay safe, and GO EAGLES!
