Happy Weekend!

In my last update I highlighted some of our winter sports and their achievements. I neglected to mention our boys' soccer team who had a fantastic season and advanced to regional quarter-finals this year. Great job students.

I also wanted to congratulate AL Kohn who was selected as the Volunteer of the Year for Pinellas County Schools. He has spent countless hours tutoring our students in all levels of math. Thanks to Mr. Kohn, many students have successfully raised their math skills and grades! Remember, there are many opportunities at our school for volunteers. Please contact Teresa Peterson at our school for more information.

Lastly, here is a list of the testing dates for this spring's tests:
