

# PARENT FOCUS APPLICATION

The FOCUS Student Information System is a secure website for you to view your child/children's information. By having a User ID and Password, you will be able to view your child's:

- Attendance
- Schedule
- Upcoming assignments and test dates
- In-progress grades, test/quiz scores, homework
- Grades and project work
- Final Grades, GPA & Class Rank
- Discipline/referrals
- Demographic information
- Medical information
- Important school messages, announcements and upcoming school events
- School calendar showing meetings and upcoming assignments

You will also be able to add/delete/update:

- Phone numbers
- E-mail addresses
- Emergency Contacts
- Address changes via <https://www.pcsb.org/Page/2863>
