3-23-20

Good Afternoon Eagle Families,

I know this is a time of uncertainty for many of us as we continue to support our families and one another. As we make the transition to digital learning, I want each of you to know that the safety and learning of your child is of the utmost importance. While our school building may be closed, learning will continue.

Over the next week I encourage you to engage in the academic enrichment activities available through our school website as our teachers prepare for their class specific lessons that will begin on March 30th. I also want to make sure you know that our school will be distributing digital devices for students and families that do not have access to a computer, iPad (Gen 4 or newer), tablet or smartphone. **Any existing device that can access Clever and the Internet will work. If you already have such a device, visit our webpage for next steps. You do not need an additional device.** <https://www.pcsb.org/Enrichment>

For any family that needs a digital device, we will be distributing devices for at home learning on Tuesday, March 24 and Wednesday, March 25 in the bus circle. Both the students and a parent or guardian must be present to check out the device. I encourage you to come at your assigned time to ensure we do not have a large crowd.

If you are experiencing any symptoms of COVID-19 or are not feeling well, please send someone on your behalf. We will be following all CDC protocols, including social distancing. We ask that you do the same. The assigned times are posted on the school website and I will share them now:

**Tuesday/Wednesday**

8:30 AM – 9:30 AM – *Alpha A-G*

9:30 AM – 10:30 AM – *Alpha H-O*

11:30 AM – 12:30 PM – *Alpha P-Z*

If you have any concerns or special needs, please contact the school or me directly. We want to ensure all families have the necessary technology and Internet access to engage in online learning while school is closed. I will continue to keep our families updated. Thank you for your patience and flexibility. As you know, this is a new way of work for many of us and I thank you in advance for your patience. We are a strong community and I know we will continue to support each other as we move forward.

Thank you, “*Keep calm and Clever on!*”

*Carmela Haley, Principal*
