[Directions to East Lake High School](#)

April 12, 2019

Good Evening Eagle Families,
As we quickly approach the end of the school year I want to take a quick moment to remind you to continue to monitor your students' academic progress and attendance. Unfortunately, this time of year, we see an increase in missed classes.

Thank you to all who attended last week's Hot Topics presentation. The topic of vaping was discussed. We continue to have an increase in the number of students who are vaping in school. Please have conversations with your student about the dangers and repercussions of vaping.

Spring time also means testing for our students. Here is the link from our website for the testing schedule for the rest of the year:

Remember, it is never too early to begin preparing for exams!

Thank you and have a great weekend!

Carmela Haley, Principal
East Lake High School
