### **AICE Testing – General Paper and Marine Science**

Students will take day 1 of the AICE General Paper and AICE Marine Science assessments this Friday. AICE General Paper is 1<sup>st</sup> thing in the morning and AICE Marine Science will be after lunch. Students will take the day 2 assessment on Tuesday, April 29<sup>th</sup>. Teachers and students have been working diligently to prep for these assessments, and we can't wait to see their hard work pay off! Locators will be posted outside of Student Services and the Media Center this week, and students will test in the same location on both days. Students are also required to test both days. If you have any questions at all, please reach out to their AICE teacher.

## **FAST ELA PM 3 Testing – Modified Block Schedule**

In less than two short weeks, all of our 9<sup>th</sup> and 10<sup>th</sup> grade students will begin taking the FAST ELA Progress Monitoring (PM) 3 assessment through their English classes. This includes English 1, English 1 Honors, English 2, English 2 Honors, English 3 Honors, and Advanced Placement English Composition for any freshmen and sophomore. Students took the PM1 and PM2 assessments as the beginning of the school year to display their growth from the start of the school year, and PM3 will be their chance to SOAR on the final assessment to showcase their hard work this year!

Teachers and students have been working diligently as they progress through the standards and skills within English and Reading courses this school year, while focusing on digging into and practicing the different test strategies to help students tackle the FAST ELA assessment. As in past year, we're asking for your help: attached you'll find the test strategy One Pagers for the FAST assessment. Please take some time between now and your student's testing date to help support them from home on how to SOAR on this test – they have all the tools needed to do SOAR on the FAST! Remember the test is ADAPTIVE, so as students get the questions correct, the complexity increases, which is a good thing – this means their RISING. Remember, students can **AND** should take as much time as they need to finish the test their day of testing. On their testing day, all students will test through at least 10:50am, but if they aren't finished then they can test through the entire school day. Students CANNOT SKIP questions – give every question their best answer, and if they aren't sure then eliminate as many answer options as they can before selecting an answer. EOC testing will have a very similar approach this year as well. Please see the attached One Pagers for more critical strategies and reminders to SOARING on the FAST ELA PM3 starting May 1<sup>st</sup>!

Also, starting Thursday, May 1<sup>st</sup>, through Friday, May 9<sup>th</sup>, we will have a modified bell schedule. All 9<sup>th</sup> and 10<sup>th</sup> grade students will take their FAST ELA PM3 assessment during their English class with their English teacher during the class period they have English. For example, all students with English 1<sup>st</sup> period will take the assessment on May 1<sup>st</sup>, while all other students will attend their 1<sup>st</sup> period class through 10:50am the same day. See the below attachment for a breakdown of each day's schedule, starting May 1<sup>st</sup> through May 9<sup>th</sup>.

## **Spring Show – Into the Woods**

Both our theatre and orchestra students have been equally committed to preparing for what will be an amazing spring musical, Into the Woods, and we would like to recognize this collaboration as we've added the pit orchestra to this year's show. Both groups are included via the signature poster and will have candygram bags and t-shirts available at the show. It has been fun seeing these two creative groups work so well together, complimenting each other in the show's preparation!

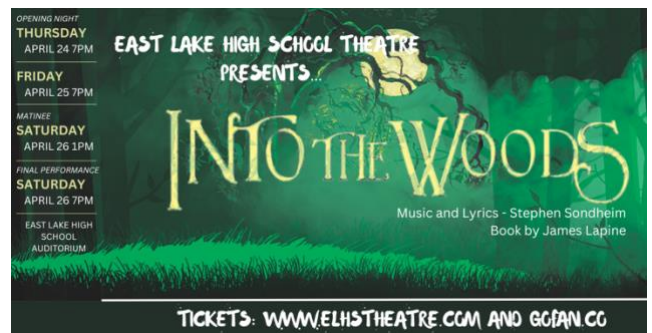

Get your tickets now for our Spring Musical "Into the Woods" on GoFan. We're excited to announce performances will take place THIS WEEK in the East Lake High School auditorium this Thursday through Saturday, April 24<sup>th</sup>, 25<sup>th</sup>, and 26<sup>th</sup> at 7pm, along with a matinee on the 26<sup>th</sup> at 1pm. We hope to see you there to see the culmination of all of our student's and staff's hard work!

Following the assembly, students will move to the gymnasium to pick up their cap, gown, tassel, and yard sign.
