Good Evening Eagle Families,

As you are aware, testing is in full swing! Next week we will continue with our testing. In addition to our AP testing we will begin our EOCs (end of course exams). Monday we will begin with Biology, Tuesday and Wednesday will be Algebra 1, Thursday will be Geometry (AM) and US History (PM) and we will conclude the week Friday with Geometry and make-ups. As we are trying to create the best testing environment possible, we are asking students who are not testing, use their inside voices during passing time. We are also restricting locker use in the testing areas which includes all of downstairs 2, 3, and upstairs 4.

Senior families already have graduation information but I thought I would send it out to the rest of the families just in case they are attending.

Graduation is Thursday, May 23rd, at 7:15 pm.

Graduation Details at a glance:

- Senior arrival time: 6:15 pm, Gate 1
