Good afternoon, Eagle Families,

This is Dan Schmittdiel, Principal of East Lake High School, with some important reminders and updates as we wrap up the final three weeks the 2024-25 school year at The Lake! This week resumes AP and state testing and continues our Spring Athletics season with the softball regional semifinals game, along with our May PTSA and SAC meetings. Check out this week and major upcoming events below:

Events	Dates
Softball	Softball moves on to the regional semifinals this Tuesday 5/13. We'll host Mitchell HS

Yearbook Distribution	involved with the PTSA please email: ptsaelhs@gmail.com Yearbook distribution will continue again this Wednesday 5/14 for all grade levels. With this week's continuation of testing, especially the Biology EOC on Tuesday, we'll continue mid-week.

Good luck to all of our Eagles in all of their extracurriculars and testing this week! Some additional reminders for the week include:

Biology and US History EOCs

Parents, as a reminder students enrolled in Biology and US History will take their EOC's this week. All Biology 1 Honors students will take the EOC on Tuesday 5/13. US History students in US History Honors, Advanced Placement US History, and Dual Enrollment US History, will sit for the EOC this Thursday 5/15. For both assessments, students will sit for 160 minutes but will be allowed to continue testing if they need additional time.

Attached are some posters which cover strategies on tackling the test which students have been discussing and practicing throughout the year in class. Both assessments are adaptive this year. Every student will start at a level 3, which is a passing score. When they answer questions correctly, the questions will become more challenging, which means they're doing great! Students can't skip questions or flag them to return, so it's vital they give every question their best answer using the different strategies covered throughout the year and reviewed on the OnePager, and they can take as much of the school day for the EOC as they need beyond the 160 minutes. Please take some time this weekend to do a final review of these strategies with them before testing.
