(On behalf of East Lake High School)

Good Afternoon Eagle Families,

Hello, this message is for East Lake High School families. Earlier today, phone and internet service to East Lake High was interrupted. District staff are working with our school and partners at Spectrum to address and resolve the issue. At this moment we are unable to accept phone calls or monitor emails. As a result of the phone and internet outage, testing scheduled for today has been postponed.

We are working on an updated exam schedule which will be communicated. Testing scheduled for Monday will resume as planned. All students will have the opportunity to take their exams within the state's testing window and before the end of the school year. We apologize for this inconvenience. As a reminder, our school is unable to accept phone calls or monitor e-mail at this time.
