Good Evening Eagle Families,  
Happy Friday.

As you are aware, we had no internet or telephones today. I want to personally thank you for understanding and for your patience as we were worked through the internet issue. Our district staff and Spectrum worked together to restore service as quickly as possible. Unfortunately we were not able to EOC test as planned today and have modified the testing schedule as below.

**Next week is a very important testing week.**

**Monday** is 9<sup>th</sup> and 10<sup>th</sup> grade FSA (part 1)

**Tuesday** is 9<sup>th</sup> and 10<sup>th</sup> FSA (part 2)

**Students must participate in both sessions over the two days.**

**Wednesday** morning all Geometry students will report to their testing rooms for the 2<sup>nd</sup> part to their EOC. Please make every effort for your student to attend as this **test is a graduation requirement**. All other students will report to their first period final exam. Geometry students will take their first period exam during the period they normally would have geometry. In the afternoon, all students will take their 2<sup>nd</sup> period exam.

**Thursday** students will take their 3<sup>rd</sup> and 4<sup>th</sup> period exams.

**Friday** students will take their 5<sup>th</sup> and 6<sup>th</sup> period exams.

**Monday** May 27<sup>th</sup> is Memorial Day and school is closed.

**Tuesday** May 28<sup>th</sup> students will take their 7<sup>th</sup> period exams and any make up EOC or final exams necessary.

**Wednesday** May 29<sup>th</sup> students will take any make up EOC or final exams necessary. We are in the home stretch and almost at the finish line! Let's finish this year strong! Thank you and have a great weekend,

Thank you  
Carmela Haley, Principal  
East Lake High School
