5/18/25

Good afternoon, Eagle Families,

This is Dan Schmittiel, Principal of East Lake High School, with some important reminders and updates as we wrap up the final eight days of the 2024-25 school year at The Lake – Tuesday begins Senior Final Exams and Friday begins Underclassman Final Exams, so let's finish strong! This week resumes state testing with Algebra 1 and Geometry EOC testing, with make-ups for missed EOC and AP testing. Check out this week and major upcoming events below:

<u>Events</u>	<u>Dates</u>
Geometry EOC and Algebra 1 EOC	On Monday and Tuesday, we'll facilitate the Geometry and Algebra 1 EOC's. All students enrolled in Geometry Honors will take the Geometry EOC on Monday 5/19 while all students enrolled in Geometry and Algebra 1 will take their EOC's on Tuesday 5/20.
ELHS Academic Awards Ceremony and Testing Successes	We'll celebrate students for various academic accomplishments at this year's Academic Awards Ceremony on Tuesday night at 6:30pm. Specific invitations were sent out. Additionally, we're celebrating ALL students who made a gain and/or showed proficiency on all of the FAST PM3 and EOC testing this year. Not only did many students reach proficiency, but many showed substantial growth – way to SOAR Eagles! Students who made gains and/or reached proficiency will be receiving a ticket in either their English or EOC course this week to earn a free treat throughout the week at lunch. They'll redeem this in the Eagle's Nest by Student Services. We're so proud of all of their hard work!
FAST and EOC Make-ups	We'll be facilitating FAST and EOC (Bio and US History) make-ups throughout the week. As we have continued testing Monday and Tuesday, we'll have small groups of make-ups each day. Those scheduled for make-ups on Monday and Tuesday received a call and email on Friday, and we'll continue to send passes for make-ups throughout the week.
Senior Exams	Senior Exams begin Tuesday through Friday. Each day will have two exams scheduled with their classes, which they've been discussing with each teacher this past week. If a senior qualified for at least one exemption but didn't submit it completed yet, please have them drop it off at lunch on Monday. Also, remember there isn't a final exam for any Advanced Placement or EOC class (Biology, US History, Algebra 1, Geometry), and AICE courses only have a final if your student did not sit for the AICE exam. <ul style="list-style-type: none">• Tuesday 5/20 = 1st and 2nd period exams• Wednesday 5/21 = 3rd and 4th period exams• Thursday 5/22 = 5th and 6th period exams• Friday 5/23 = 7th period exams
Underclassman Exam Exemptions	Underclassman exam exemptions were distributed to those who qualified on Friday 5/16 during 4 th period classes – if your student was absent, they can retrieve it from their 4 th

	period teacher on Monday. These are due back completed by Wednesday during lunch or after school. We'll be collecting them near the Eagle's Nest, our PBIS store, and Student Services. Students can exempt up to three exams which they qualify for. A quick reminder, students must have four or less absences along with a C or higher in Q3 and Q4 to qualify for an exemption in a class. If they have any questions or didn't receive a form but believe they qualify, please reach out to the school.
Underclassman Final Exams	We'll begin our Underclassman Exams on Friday 5/23 through Thursday 5/29, the last day of school. Attached is a copy of the schedule with: <ul style="list-style-type: none"> • SCHEDULE: https://tinyurl.com/Spring25ExamSchedule • Friday 5/23 = 4th and 5th period exams • Tuesday 5/27 = 3rd and 6th period exams • Wednesday 5/28 = 2nd and 1st period exams • Thursday 5/29 = 7th period and make-up exams
AP Make-up Exams	We'll be running FAST ELA PM3 make-ups this week and next for students who missed because of AP testing or an absence.
Yearbook Distribution	Yearbook distribution will continue through the remainder of the year for all grade levels.

Good luck to all of our Eagles in all of their extracurriculars and testing this week! Some additional reminders for the week include:

Geometry and Algebra 1 EOCs

Parents, as a reminder students enrolled in Geometry and Algebra 1 will take their EOC's this week. All Geometry Honors students will take the EOC on Monday 5/19. Geometry Regular and Algebra 1 students will sit for the EOC this Tuesday 5/20. For both assessments, students will sit from the start of the day until 10:50am but will be allowed to continue testing through the remainder of the school day if they need additional time. It's essential they take their time and not rush on the test.

Attached are some posters which cover strategies on tackling the test which students have been discussing and practicing throughout the year in class. Both of these assessments are adaptive this year. Every student will start at a level 3, which is a passing score. When they answer questions correctly, the questions will become more challenging, which means they're doing great! Students can't skip questions or flag them to return, so it's vital they give every question their best answer using the different strategies covered throughout the year and reviewed on the OnePager, and they can take as much of the school day for the EOC as they need beyond the 160 minutes. Please take some time this weekend to do a final review of these strategies with them before testing.

Summer Programs

Next week you may receive a call from Ms. Godwin regarding one of our summer programs, Edmentum Summer Credit Recovery and Summer Bridge. If your student has any core failures outside of Algebra 1, your student has already been registered for the program, which we HIGHLY recommend your student attend this program on day one, June 2. As students finish their courses, they wrap up for the summer, however it officially runs through July 17. It will run Monday through Thursday from 8:00am to 12:00pm in our Media Center. Please refer to the callout/email this week for more information and don't hesitate to reach out to the school with any questions!

We will also be running various other Summer Bridge programs, including Algebra 1 Credit Recovery/EOC Retake Preparation and ACT ELA and Math Preparation. These are intended for current 10th, 11th, or 12th grade students who still in need of a testing graduation requirement. If your child meets the requirement, you'll receive a call early this week with more information. For students requiring a graduation requirement for either the FAST ELA PM3 assessment or Algebra 1 EOC, we will also have a free in-school CLT available on June 18 (8:00am arrival time) where they can potentially earn a concordant score.

Class of 2025 Reminders

Graduation is fast approaching. It is crucial for seniors finish strong as they close out their final week before senior exams. Please ensure you are checking Focus to see where your seniors stand, and if there are any specific low grades at this point, please reach out to their teacher if you haven't been in communication recently to work on a plan for make-up work. Let's ensure they finish strong so we can celebrate them as they walk across the stage on May 29th at the Yuengling Center! Attached you'll find a One Pager with a variety of reminders. Additional Reminders

○ **Anonymous Reporting**

- As most of you are aware, Pinellas County Schools has partnered with Sandy Hook Promise which allows us to offer the Say Something Anonymous Reporting System. This allows stakeholders to submit a secure and anonymous safety concern which helps us identify and intervene in a proactive way. Please remind your student(s) this is in place to assist with addressing a concern and also a way for someone get any help they may need – tips are passed along to appropriate law enforcement and school personnel. FortifyFL is also another

reporting system which is available to report suspicious activity and allows Florida students and the community to relay any safety concerns. Both links can be found below.

○ **PTSA Updates**

- Share some LOVE and APPRECIATION TO OUR AMAZING TEACHERS AND STAFF! The ELHS PTSA is beginning an ongoing year-round request to "FUEL THE FACULTY". We are looking for small snack and drink donations for a snack cart which rolls around the office and halls. PTSA is kicking off this effort in February with their Sign-up Genius posted on their Facebook and Instagram pages. Please see the links below to access the social media pages on how to sign up: <https://bit.ly/4jsZuaQ>
- Consider starting your membership off with the PTSA or making a donation this month - both assist with supporting the teachers and students at The Lake each day! 100% of all membership fees and donations go directly back to the school. And check out their Facebook and Instagram pages for more information!
