**05/21/2023**

Good Afternoon Eagle Families,

This is Dan Schmittiel, Principal of East Lake High School, with your Sunday updates for the upcoming week. Only four more days until the end of the 2022-23 school year – let's finish strong!

### **Final Exams**

Tomorrow will begin our four days of final exams. Because of that, we'll have a modified bell schedule every day. This can be found on the school's website but is also attached to the email. If your student doesn't have an exam during the second half of the day because they qualified for an exemption or it is an Advanced Placement/AICE/EOC course (Algebra 1/Geometry/Biology/US History) and you allow them to leave for the day after the first exam block, please call or email ahead of time to get a Permit to Leave for your student. Students will need to stay in their testing site during the entire testing block and will not be permitted to leave campus during each exam period, which will consist of review and testing. Also remember that the last day of school, Thursday, May 25th, our school day ends two hours early at 11:55am. <https://tinyurl.com/2p9xfnyb>

### **Locker Cleanout, Book Return, and Laptop Renewal**

If your student hasn't done so yet please ensure that they remove all of their belongings from their locker tomorrow morning and take their lock home with them, as items will be disposed of during summer cleaning. Any textbooks that haven't been returned yet need to be returned to their teachers ASAP as to avoid incurring a fee. Additionally, if your student is a rising 10-12th grader, remaining at East Lake next year and has a PCS laptop checked out to them currently, they will need to self-renew the laptop. There is a new icon on student laptops titled "Student Device Self-Renewal". Double-click on this icon and it will bring up the renewal prompt. Once this new window opens there is a green button which says, "Renew Device Checkout". If all of the paperwork is in place and the current device is assigned to your student, the renewal will be successful. Please refer to the message sent by Mr. Anderson for more information if needed.

If your student is a recent ELHS graduate or will be moving out of the area next year, please return their school-issued laptop tomorrow.

### **2023 Summer Bridge and Summer Credit Recovery**

It is that time of year to begin signing up for our different summer programs available to students. Whether your student needs to recover failed core classes through our APEX Credit Recovery Program or preparation for concordant score testing for graduation requirements or have a rising 9<sup>th</sup> grader who is interested in our Freshman Bootcamp, we have a variety of options available! If one or more of the programs listed in the email apply to your student(s), please take the time to complete the Microsoft Forms survey below to register ASAP!
