An in-depth orientation for all incoming Freshmen to East Lake High School. Each day will offer a unique experience for students to get an inside look at life at the Lake. Here is a sample schedule:

Monday: Acclimate to Academics

Students will visit several core classrooms and participate in a sample lesson that they may see throughout the year.

Tuesday: Dive into the Lake.

Students will get an opportunity to meet officers from many of the clubs and sports offered at East Lake.

Wednesday: Setup for Success.

Students will get a VIP tour of the school. Cafeteria, Media Center, Main Office, Student Services. Then, there will be a presentation on essentials: how to study, how to take notes, how to appropriately contact your teacher, how to email, how to print, etc. Avid strategies will also be presented.

Thursday: Clues to the Campus

Students will do a scavenger hunt around the school to get a better feel for the campus. At the end of their scavenger hunt there will be a prize that is much needed for their first year of high school.

Thank you
