Dear Eagle Families,

Summer is flying by and I hope you are enjoying time with family and friends. Please take a few moments this summer to check your information in Focus. Please make sure your telephone number is correct and accepts calls from the school. Also, if you are receiving this e-mail you can assume your email address is correct and the school is not blocked by your email provider. Please check with other East Lake High School families that you know and ask them if they also received this email. If they did not, please have them contact the school so we can update their information. It is my goal for everyone to receive all of the emails with information throughout the year.

Thank you and have a great start to your summer!

*Carmela Haley, Principal*
