**7-20-2021**

Good Afternoon Eagle Families,

I recently sent this but wanted to resend as we recently updated our list of incoming 9th graders.

Good evening Eagle Families of our Incoming Freshman,

Welcome to East Lake High School where Eagles Soar. I hope this email finds you and your family enjoying the summer, relaxing, and staying safe. Here are a few updates and reminders!

We are currently planning our new student orientation for students and for families. I will send the dates as soon as they are determined, but it is usually a couple of days before school begins. (Update - watch your email for the date and information this evening!)

I send out many emails throughout the year with important information. All my messages are archived on our school's website as well. Please check our website for updates throughout the year. Please check your Focus account for incorrect telephone numbers.

Also, please check with friends who are also new families to East Lake to check and see if they received this email. If they have not, please ask them to check their email address to make sure it is correct. More emails will be send shortly regarding beginning of the year information including; when schedules and our school counselors will be available, information on clubs and activities, open house night, and more!

**Lastly from our Band Director:**

As the new school year approaches, we know you are looking forward to exciting opportunities for your child's involvement on our campus. If your student plays an instrument or dances, one of the most exciting groups to be a part of is our Silver Sound Marching Band. This hard-working group of students focuses on building young musicians into tomorrow's academic leaders. Students have many performance and leadership opportunities throughout their four years in band. Don't miss out on your opportunity to be a star on and off the field!

If you would like to find out more information about our band program, including our upcoming band camp dates, please check out our band's website at <https://www.eastlakeband.com>. You can also email our band director, Mr. Ian Black. Contact information can be found on our school's website.

Thank you and have a great rest of your summer

*Carmela Haley, Principal*
