Good afternoon Class of 2025 Eagle Families!

This is Assistant Principal, Shawn Anderson with a reminder and clarification about scheduling senior portraits with Leonard's photography. Leonard's is our official photographer, and their studio is open throughout the summer. I have received a number of questions the past few days about retrieving an access code to complete a reservation. The Leonard's access code lookup was set to use students' 6 digit student ID which is different than their 52 student ID. I'm attaching a picture from the parent version of FOCUS to assist you in locating this number to register for a photo time at Leonard's. My apologies for any confusion. Visit <https://www.leonards.comschedule> to book your time! Please don't hesitate to reach out if you have any additional questions. If I do not have the answer, I will forward to someone who will! Have a great evening and spectacular Fourth of July! Go Eagles!
