8/10/2022

Good Evening Eagle Families,

Thank you for helping us make opening day a success. As I walked through campus today there were many smiling happy students and staff! Teachers were teaching, students were learning and everyone seemed to be engaged and happy to be back.

I wanted to take a quick moment to remind everyone about a few items.

The Code of Conduct is available digitally under Site Shortcuts to the left. Please take a moment to review the information with your student. Also, please review the dress code with your student. Tomorrow and everyday after, we will conduct dress code checks in classrooms. If students are not following the dress code, a call to the family will be made to notify and assist the student in receiving proper dress.

We had some long lines today! The car line was long but moved quickly in both the morning and afternoon. The front parking lot is for school busses only in both the morning and afternoon. The parent carline is on the north side of campus near adjacent to the football field. Please have your student exit the car when you are next to the sidewalk. It will greatly help to speed up the entire carline.

Speaking of school busses, I know there were some snafus this morning. I have contacted transportation to let them know each incident with pick up problems which occurred. Hopefully those will be alleviated tomorrow. There are still going to be some routes which will run behind in the morning and afternoon with several drivers finishing one route, and then leaving immediately to pick up the next and return to East Lake. To receive updates via Bus Bulletin, visit <https://app.busbulletin.com/register.php> to sign up.

The lunch line was also long but was done at 11:16 today. We provided extra time for later students to finish their lunch before heading to class so every student had the opportunity to purchase and eat a healthy lunch.

A reminder breakfast will continue to remain free for students, but the cost of a healthy lunch is now \$2.75. You may add money to your student's account by visiting <https://www.myschoolbucks.com>. If you have not already completed the application for free/reduced lunch, visit <https://www.myschoolapps.com> to do so.

Thank you and have a great evening!

Shawn Anderson, Asst. Principal

East Lake High School
