Good Afternoon Eagle Families,

Thank you to our MyPCS online students who picked up their textbooks today. We will have a last chance textbook pick up for those MyPCS online students who were unable to pick up textbooks today. This will be tomorrow, **Friday in the Gym from 12 PM to 2 PM.**

Mr. Anderson is sending a separate email with information for those who have requested devices prior to August 12. Unfortunately, we do not have any extra devices at this time but are requesting more and another email request will be sent.

We are so excited for the first day of school! **Freshman and new student virtual orientation has arrived!** [Click this link to view an informational Powerpoint.](#) Also, [here is a virtual tour of the East Lake HS Campus.](#)

Back to school night is scheduled for September 30th and more information will be sent out in a couple of weeks.

We will begin Monday with a quick homeroom. [The homeroom list may be found here:](#) so your student will know where to go on Monday. We will have many adults on campus and in the hallways to assist students to their correct room. Posters are located around the school with homeroom locations.

If you drop your student off in the morning, please expect delays the first week or so. The car circle line appears long, however, it moves quickly. Please pull up as far as possible in the car circle so we may keep the cars moving! Please only drop off your student in the student drop off line. Please do not drop your student off in the student or teacher parking lots as it is unsafe. If you are a bus rider, please be at your stop at least ten minutes before your scheduled pick up time. Be patient as the first few weeks buses are adjusting exact pick up times

First day packets will be given to students in their home room. If your student does not have a 1st period and will miss homeroom, please see Mrs. Ramos in student services. Parents, sign in with your parent focus account SRS and it should come directly to our school. Instructions may be found here:

[You may also download the forms, complete and print them and return via mail, scan, or drop off at the school.](#)

As you are aware, lunch is at the end of the day. We are asking students to choose their luncheon location and eat at the same location every day. We will give the students a form to complete with their location choice. Students do not have to remain on campus for lunch and may leave campus immediately after 7th period. Bus riders must remain on campus as students may not return to campus once they leave.

Thank you and stay safe,
