**August 24, 2020**

Good Evening Eagle Families,

Thank you for a wonderful first day to the new school year. As expected we experienced a few technical issues with Canvas. Thank you for your patience as we troubleshoot our issues reported by teachers.

We are still improving our processes with Canvas and substitutes so please ask your student to continue to sign in and complete any assignments posted, even if the teacher is still entering the class.

Despite first day hiccups, instruction and learning was happening throughout the campus and online

Students did a great job with masks today. We are constantly reminding students to social distance which is always a challenge. Please encourage your student to keep six feet between them and others whenever possible.

Please remember to pull all the way up to the first cone in the car line in the morning and always pull up behind the car in front of you. This will drastically decrease the time spent in the car line and help get our students to class on time. Also, please follow the directions of the staff directing traffic.

Back to school night is September 30<sup>th</sup> and more information will be sent soon!

Thank you in advance for being patient with us regarding responses to calls and emails as this is a busy time of year!

Thank you, stay safe, and Go Eagles!

*Carmela Haley, Principal*
