August 28, 2020

Dear Eagle Families,

Congratulations on a fantastic first week. Despite some technical issues, we are happy to announce we successfully made it through the week.

If you still have any textbooks from last year, please drop them off in the front office. Also, if you're an online student and you are finding you are using the digital versions of textbooks, please feel free to return that textbook after school.

Students are doing a great job making sure they are protecting their health and others by wearing masks and social distancing. Please help us by reminding your student of the importance of following this important rule.

As students are still settling into their routines both online and in the traditional programs, I wanted to remind students of a few rules.

Proper online etiquette and behavior: Students should have their cameras on, be dressed for success and ready for school. All students should adhere to the positive behavior guidelines expected of East Lake High School students. This includes online behavior. Inappropriate behavior and language will not be tolerated. Please remember online classes may be recorded and screenshots will be taken. Inappropriate incidents will be referred to administration and then followed up with a contact to parents and possibly further action.

Dress Code

Please remember we follow the district's policies on dress code. Thank you in advanced for partnering with us to assure the policy is followed.

Here is a link to the dress code policy in the code of conduct: <https://www.pcsb.org/Page/15060>

Thank you, stay safe, and Go Eagles!

Carmela Haley, Principal

East Lake High School
