Dear Eagle Families,

I wanted to take a quick moment to share some good news! As you are already aware, East Lake High School is a well-respected and highly requested school. As a result of our popularity, we are over-enrolled. We have received some additional support for our students in the form of three new teachers! While this is certainly great news, this also means we will need to adjust some students' schedules to accommodate the new staff and decrease class size. Please understand if your student receives a schedule adjustment. They will be placed in the same subjects. This adjustment should occur in the next week or two.

More good news! We have a new counselor at our school – which means we now have five school counselors to help assist you and your students.

If you are already signed up for tomorrow's SAT and are unable to attend, the makeup day is October 27th.

The Geometry EOC dates for our **online students** have been moved to 9/29 and 9/30. The time for the EOC test is 1st period to 3rd period.

Thank you, stay safe, and Go Eagles!
