**9/6/19**

Dear Eagle Families,

As we quickly approach the middle of the first grading period, progress reports will soon be emailed to parents or sent home with students. Please make sure to review your students' academic progress regularly on your Focus account. We have many tutoring opportunities if your student needs additional support. Please contact your students' counselor or administrator if you want additional information.

Our fall sports are in full swing. As your students attend games and cheer on our Eagles, please remind them to show good sportsmanship, display good behavior at games, and be mindful not to post inappropriate items on social media.

Dr. Grego has shared:

We have reviewed state instructional time requirements and our 2019-2020 school calendar. We have determined that with only one missed day due to Hurricane Dorian, we will have enough instructional hours for this school year, and do not need to make up the day. At this time, we will follow the 2019-2020 schedule as planned.

Please recognize that there are twelve weeks left in hurricane season. If we experience any additional closures we will reevaluate the need to makeup days.

We will continue to work closely with Pinellas County Emergency Management and the National Weather Service to monitor the weather and make decisions that keep the safety of our students and staff our highest priority.

Thank you and have a great evening,

***Carmela Haley, Principal***
