WEBINAR

Please register to receive the meeting link www.pcsb.org/parentacademy

Join us for a session on programs offered by the Pinellas Education Foundation (PEF)- bridging the digital and financial divide by providing e-learning coaching and scholarships. Learn about the Family E-Learning Coaching initiative which is after hours assistance with the learning technologies provided by PCS. Also, find out how to take advantage of the multitude of scholarships and grants offered by the PEF based on academic achievement, talent and /or financial need. The PEF firmly believes students and families should have equitable access to technology and the financial means to achieve academic success. Join us to learn more about these initiatives to promote 100% student success.

If you are unable to join us live, the session will be recorded. Look for this and past workshop recording links and information about upcoming sessions in this Power Hour series all at www.pcsb.org/parentacademy.
