**05/17/2024**

Good afternoon, Eagle Families,

This is Chiquita Godwin, Assistant Principal at ELHS, with a quick update regarding the Summer Edmentum Credit Recovery program. According to our records, your student has at least one core semester course that they need to recover. Starting Monday, June 3rd, our Summer Edmentum Credit Recovery program begins. It runs every Monday through Thursday from 8:30am to 12:30pm at ELHS. Because of some summer projects at the school, we will be running the program out of the middle school.

Your student has been automatically enrolled in the program to recover their core, so you don't need to request a specific course for them to begin with the recovery program. We do ask that you complete the Microsoft Forms Survey, which you can find in the email below to verify that they'll be attending and to answer whether or not you'll need transportation.

<https://forms.office.com/r/VzMKMJ3Sjz>

Students then need to show up on Monday, June 3rd for the 8:30am start time. Also, if your student is currently working on Edmentum credit recovery during the school day or after school, they will be able to pick up where they left off over the summer. We HIGHLY recommend they take advantage of this program, as students have the ability to recover multiple classes over the summer if they need it, to get back on track for next school year. If you have any questions at all, please don't hesitate to reach out to your student's counselor. Have an amazing rest of the week and GO EAGLES!

Chiquita Godwin, Asst. Principal  
East Lake High School

**Vision:** 100% Student Success

**Mission:** The East Lake High School community will develop productive, responsible students who are prepared for postsecondary education, the workforce, and citizenship
