

LET'S FLY WITH THIS YEAR'S Soar-A-Thon

What is the Safety Harbor Middle Soar-A-Thon?

Our Soar-A-Thon is a donation based, 100% volunteer managed fundraiser, and it is our biggest fundraiser of the year. Thanks to the tireless efforts of volunteers, all proceeds directly benefit our school! On January 25th, our fundraiser will kick off and continue through February 5th. All monies due February 12th.

How does it work?

- Create an online fundraising page –see online registration sheet!
- Ask friends and family to make donations through our secure online portal www.getmovinfundhub.com or via cash/check.
- Win prizes for registering online and raising money (\$50, \$75 & \$100)
- Raise a minimum of \$100 and be part of the "\$100 Club Celebration"
- Make a difference at Safety Harbor Middle!

Where is the money going?

Each year we raise money for one time and continuous school improvements. This year we are focusing our Soar-A-Thon proceeds on school wide enhancements such as an outdoor classroom and Mr. Sun renovation.
