Procedural Safeguards for Exceptional Students Who Are Gifted

6A-6.03313 Procedural Safeguards for Exceptional Students who are Gifted.

Providing parents with information regarding their rights under this rule is critical to ensuring that they have the opportunity to be partners in the decisions regarding their children. It is also critical that local school boards provide information about these rights to appropriate district and school personnel so that the needs of the student can be identified and appropriately met. The school board's policy and procedures for procedural safeguards shall be set forth in accordance with Rule 6A-6.03411, Florida Administrative Code (F.A.C.), and shall include adequate provisions for the following:

(1) Prior notice. The school district shall provide parents with prior written notice a reasonable time before any proposal or refusal to initiate or change the identification, evaluation, educational placement of the student or the provision of a free appropriate public education to the student.

(a) The prior notice to the parents shall be written in language understandable to the general public and shall be provided in the native language or other mode of communication commonly used by the parent unless such communication is clearly not feasible to do so.

(b) If the parents' mode of communication is not a written language, the school district shall ensure:

1. That the notice is translated to the parents orally or by other means in their native language or mode of communication;
2. That the parents understand the content of the notice; and
3. That there is written documentation that the requirements of subparagraphs (1)(b)1. and 2. of this rule have been met.

(c) The notice to the parents shall include:

1. A description of the action proposed or refused by the district, an explanation of why the district proposes or refuses to take the action, and a description of any other options the district considered and the reasons why those options were rejected;
2. A description of each evaluation procedure, test, record, or report the district used as a basis for the proposed or refused action;
3. A description of any other factors that are relevant to the district's proposal or refusal; and
4. Information on how the parent can obtain a copy of the procedural safeguards specified in this rule.

(2) Content and Provision of the Procedural Safeguards to Parents.

(a) Parents must be provided a copy of their procedural safeguards which provides a full explanation of the provisions included in this rule.

(b) A copy of the procedural safeguards must be available to the parents of a child who is gifted, and must be given to the parents, at a minimum:

1. Upon initial referral for evaluation;
2. Upon refusal of a parent's request to conduct an initial evaluation;
3. Upon notification of each EP meeting; and
4. Upon receipt of a request for a due process hearing by either the school district or the parent in accordance with subsection (7) of this rule.

(3) Informed parental consent.

(a) Parents shall be fully informed of all information relevant to the action for which consent is sought in their native language or other mode of communication unless such communication is clearly not feasible.

(b) Written parental consent shall be obtained prior to conducting an initial evaluation to determine eligibility and prior to initial provision of services to students who are gifted.

(c) School districts shall document the attempts to secure consent from the parent as required by paragraph (3)(b) of this rule.

(d) Parental consent is voluntary and may be revoked at any time before the action occurs.

(e) Except for formal, individual evaluation and the initial provision of services to the student, consent may not be required as a condition of any other benefit to the parent or child. Any proposal or refusal to initiate or change the identification, evaluation, or educational placement or the provision of a free appropriate public education to the student after the initial placement is not subject to parental consent but is subject to prior notice as defined by subsection (1) of this rule.

(f) Parental consent is not required before:

1. Reviewing existing data as part of an evaluation; or,
2. Administering a test or other evaluation that is administered to all students unless, before administration of that test or evaluation, consent is required of parents of all children.

(4) Parents' opportunity to examine records and participate in meetings.

(a) The parents of students who are gifted shall be afforded, in accordance with Rule 6A1.0955, F.A.C., Section 1002.22, Florida Statutes (F.S.), and this rule, an opportunity to inspect and review their child's educational records.

(b) The right to inspect and review education records under this rule includes the right to have a representative of the parent inspect and review the records including all records related to the identification, evaluation, and educational placement of the child and the provision of a free appropriate public education to the child.

(c) The parents of a student who is gifted must be afforded an opportunity to participate in meetings with respect to the development of their child's educational plan.

(5) Evaluations obtained at private expense. If the parent obtains an independent evaluation at private expense which meets the requirements of subsection (4) of Rule 6A-6.0331, F.A.C., the results of the evaluation must be considered by the school district in any decision made with respect to the determination of eligibility for exceptional student education services.

(a) The results of such evaluation may be presented as evidence at any hearing authorized under subsection (7) of this rule.

(b) If an administrative law judge requests an independent educational evaluation as part of a hearing, the cost of the evaluation must be at public expense, as defined in paragraph (7)(c) of Rule 6A-6.03411, F.A.C.

(6) State Complaint Procedures. The Department of Education shall provide parents and other interested persons the opportunity to resolve allegations that a school district has violated state requirements regarding the education of students who are gifted through the establishment of state complaint procedures.

(a) Within ninety (90) calendar days after a complaint is filed, under the provisions of this rule, the Department of Education shall:

1. Carry out an independent on-site investigation, if the Department of Education determines that to be necessary;
2. Give the complainant the opportunity to submit additional information, either orally or in writing, about the allegations in the complaint;
3. Review all relevant information and make an independent determination as to whether the school district is violating a state requirement regarding the education of students who are gifted;
4. Issue a written decision on the complaint that addresses each issue presented in the complaint and contains findings of fact, conclusions, and the reason(s) for the Department of Education's final decision; and

5. Extend the time limit established in paragraph (6)(a) of this rule if exceptional circumstances exist with respect to a particular complaint.

(b) Procedures for the effective implementation of the Department of Education's final decision include the following:

1. Technical assistance activities;
2. Negotiations; and,
3. Corrective actions to achieve compliance.

(c) Relationship to due process hearings.

1. If a written complaint is received that is also the subject of a due process hearing requested pursuant to subsection (7) of this rule, or the complaint contains multiple issues, of which one or more are part of that hearing, the Department of Education shall set aside any part of the complaint that is being addressed in the due process hearing until the conclusion of the hearing. However, any issue in the complaint that is not a part of the due process action must be resolved in compliance with the procedures described in subsection (6) of this rule.
2. If an issue is raised in a complaint filed under this subsection that has previously been decided in a due process hearing involving the same parties, the administrative law judge's decision is binding and the Department of Education shall inform the complainant to that effect.
3. The Department of Education shall resolve any complaint that alleges that a school district has failed to implement a due process hearing decision.

(7) Due process hearings. Due process hearings shall be available to parents of students who are gifted and to school districts to resolve matters related to the identification, evaluation, or educational placement of the student or the provision of a free appropriate public education.

(a) Such hearings may be initiated by a parent or a school district on the proposal or refusal to initiate or change the identification, evaluation, or educational placement of the student or the provision of a free appropriate public education to the student.

(b) A hearing shall be conducted by an administrative law judge from the Division of Administrative Hearings, Department of Management Services, on behalf of the Department of Education.

(c) An administrative law judge (ALJ) shall use subsection (7) of this rule for any such hearings and shall conduct such hearings in accordance with the Uniform Rules for Administrative Proceedings, Chapter 28-106, F.A.C., as deemed appropriate by the ALJ including, but not limited to: the authority of a party to request a pre-hearing conference, the authority of the ALJ to issue subpoenas to compel the attendance of witnesses and the production of records, and the authority of the ALJ to issue summary rulings in absence of a disputed issue of material fact.

(d) Status of student during proceedings.

Procedural Safeguards for Exceptional Students Who Are Gifted

1. During the time that an administrative or subsequent judicial proceeding regarding a due process hearing is pending, unless the district and the parent of the student agree otherwise, the student involved in the proceeding must remain in the present educational assignment. If the proceeding involves an application for an initial admission to public school, the student, with the consent of the parent, must be placed in a public school program until the completion of all proceedings.
2. If the administrative law judge agrees with the parent and finds that a change of placement is appropriate, that placement becomes the agreed-upon placement during the pendency of the appeal.
