Want to be more involved in Pinellas County Schools Exceptional Student Education (ESE)?

Attend ESE Advisory Committee Meetings...

Anyone interested in attending the ESE Advisory Committee Meetings are welcome. We encourage all stakeholders to attend, including parents, teachers, administrators, district personnel and community members. You'll have the opportunity to collaborate, gain information and provide input on ESE programs, practices and procedures. We will be holding meetings at sites throughout the district to give more families and community members opportunities to participate.

Pre-registration is required: Please contact Tracy McMannus at mcmannust@pcsb.org or (727) 588-6062. See host school information on the back.
